S. N. & N Chapman

Gentlemen;

A coin has just been shown to me which the following is a description:

Obv — Franc-II-D-G-R-I-S-a-GER-HIE-HUN BOH — REX. Bust with wreath & curled hair.

Rev Arch-Dust Dux. R.G.-LOTH-BRAB-COM-FLAN Cross crowns &c 1795

all features plain and distinct.
a few very slight scratches on Rev.

If you find this specimen is a rarity & think it can be gotten at a reasonable price.

If I no value beyond face promise you need not reply: Otherwise should be glad to hear from you,

Truly yours
C. N. Blackburn
